Neighbourhood Watch is a countrywide, community-based self help initiative designed to:

- Deter crime
- Reduce the fear of crime
- Encourage neighbourliness
- Improve communication between the police and public

Neighbourhood Watch encourages better home and personal security, creating an awareness of crime in a positive way. It enables homeowners to take ownership of their immediate community and to be proactive in their approach to the environment, ensuring a positive quality of life.

Many household insurers offer a discount to members of an active Neighbourhood Watch Scheme.

Successful schemes already exist but we want to increase the number of groups in your neighbourhood.

If you are interested in finding out more, please get in touch with your local Safer Neighbourhoods officer via the contact details below.
